JOINT COMMITTEE ON PRINTING

SAMUEL N. FRIEDEL, Representative, Maryland, *Chairman*
B. EVERETT JORDAN, Senator, North Carolina, *Vice Chairman*

HOUSE	SENATE
JOHN H. DENT, Pennsylvania	JAMES B. ALLEN, Alabama
SAMUEL L. DEVINE, Ohio	HUGH SCOTT, Pennsylvania

JOHN F. HALEY, *Staff Director*

FEDERAL ELECTRONIC PRINTING COMMITTEE

JOHN F. HALEY, *Joint Committee on Printing, Chairman*
LT. COL. ANGELO F. ELMO, *Department of the Air Force*
ALBERT ERICKSON, *Department of the Army*
WALTER A. MCGEE, *Bureau of the Budget*
GEORGE Z. KUNKLE, *Central Intelligence Agency*
PAUL A. ZIEMER, *Department of Commerce*
JOHN J. BOYLE, *Government Printing Office*
GEORGE P. SHEYA, *Department of Health, Education, and Welfare*
JAMES E. MONAHAN, *Department of the Navy*

FOREWORD

The field of electronic composition has been marked by rapid change since its inception. Any bibliography of electronic composition will be somewhat obsolete by the time it is published, this one no less so than others. We believe, however, that this bibliography will be of value to all who are interested in this important and emerging field.

The Federal Electronic Printing Committee gratefully acknowledges the assistance of the National Bureau of Standards, Department of Commerce, and the Environmental Health Service, Department of Health, Education, and Welfare, in its production.

Special recognition also is given to E. Raymond Lannon, formerly an active and valuable member of the Electronic Committee. He is now Chief of Administration, Pan American Health Organization. We are fortunate to have him still serving with us in the development of information for future projects.

JOHN F. HALEY,
Chairman, Federal Electronic Printing Committee.
